Consent to Use and Disclose Your Health Information

This form is an agreement between you, _____and
Lewisville Family Counseling, PLLC. When we use the words "you" and "your" below, this can mean
you, your child, a relative, or some other person if you have written his or her name here:
_____.

When we examine, test, diagnose, treat, or refer you, we will be collecting what the law calls "protected
health information" (PHI) about you. We need to use this information in our office to decide on what
treatment is best for you and to provide treatment to you. We may also share this information with others
to arrange payment for your treatment, to help carry out certain business or government functions, or to
help provide other treatment to you. By signing this form, you are also agreeing to let us use your PHI
and to send it to others for the purposes described above. Your signature below acknowledges that you
have read or heard our notice of privacy practices, which explains in more detail what your rights are and
how we can use and share your information.

If you do not sign this form agreeing to our privacy practices, we cannot treat you. In the future, we may
change how we use and share your information, and so we may change our notice of privacy practices. If
we do change it, you can get a copy from our website, www.lewisvillefamilycounseling.com, or by
calling us at 336-945-0137.

If you are concerned about your PHI, you have the right to ask us not to use or share some of it for
treatment, payment, or administrative purposes. You will have to tell us what you want in writing.
Although we will try to respect your wishes, we are not required to accept these limitations. However, if
we do agree, we promise to do as you asked. After you have signed this consent, you have the right to
revoke it by writing to me, Sarah MacReynolds. We will then stop using or sharing your PHI, but we may
already have used or shared some of it, and we cannot change that.
